Introducing the brand new BMW i7 xDrive60 Excellence, the fully electric version of BMW's flagship 7 Series luxury sedan. This right-hand drive BMW i7 uses a dual-motor powertrain with xDrive electric all-wheel drive to produce 544 PS, delivering instant, effortless acceleration with the near-silent refinement expected of a top-tier executive car.

As an all-electric sedan it does away with fuel, engine oil and exhaust systems, keeping running and

maintenance costs low while producing zero tailpipe emissions. The luxury-focused Excellence grade and five-seat cabin make it ideal for executive transport, chauffeur-driven business travel, or private owners who want a quiet, prestigious electric car.

Offered for worldwide export from Japan, with Elegant Import & Export managing the full shipping process to your nearest port.
