Presenting the brand new BMW 740i M Sport, the G70-generation 7 Series flagship sedan in dynamic M Sport specification, supplied unregistered and in right-hand drive. For buyers searching for a new RHD BMW 7 Series for export, it pairs limousine-grade comfort with genuine driver appeal.

Power comes from BMW's B58 3.0-litre inline six-cylinder petrol turbo with mild hybrid assist, delivering 381 PS to the rear wheels through a smooth automatic transmission for effortless motorway pace and quiet,

refined cruising. The B58 is used widely across the modern BMW range, so servicing know-how and parts support are easy to find in most export markets.

The spacious five-seat cabin is equally suited to chauffeur-driven executive use, corporate transport and long-distance touring. Offered for worldwide export from Japan, with Elegant Import & Export managing the full shipping process from purchase to your destination port.
