Presenting this 2021 Bentley Flying Spur V8, a left-hand drive luxury sedan that pairs handcrafted refinement with genuine performance. Finished in Thunder with a Linen and Brunel interior, this one-owner, accident-free, non-smoker example has been well maintained, making it a standout among used Bentley Flying Spur stock in Japan.

At its heart is a 4.0 litre twin-turbo V8 producing 550 PS, sent through an eight-speed transmission to full-time all-wheel drive for effortless, all-weather pace. Air suspension keeps the ride composed on 22-inch wheels, while the five-seat cabin adds navigation and an around-view camera for easy handling of a large saloon.

Equally suited to executive chauffeur duty or as a statement daily drive, this LHD Bentley for export is a strong match for left-hand drive markets. Available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process.
