2026-01	5 (km)	Petrol-Hybrid	RHD	Automatic(CVT)	1,200 (Cc)

Discover this 2026 Daihatsu Rocky Premium G HEV, a compact SUV that pairs everyday Japanese practicality with one of the more interesting hybrid systems in its class. Presented in white with a contrasting black roof and 17 inch two tone alloy wheels on 195/60 R17 tyres, this front wheel drive five door carries the top Premium G specification in brand new condition.

Power comes from Daihatsu's e-SMART HYBRID system. The 1.2 litre WA-VEX inline three cylinder DOHC 12 valve petrol engine runs purely as a generator, with no mechanical link to the wheels, which are turned entirely

by the electric motor. That gives instant response from a standstill along with smooth, quiet town driving, and regenerative braking recovers energy on every slowdown and feeds it back to the battery.

Inside, five seats, a colour touchscreen navigation system with reversing camera, multi function steering wheel, push start with smart key and lane keeping assist make this a well equipped family SUV. Available now for worldwide export from Japan, with Elegant Import and Export managing the full shipping process.
