2025 Ferrari Purosangue

6.5-LITER V12 | 8-SPEED DCT | 4WD · DEALER STOCK · SOLD OUT

2025-05	90 (km)	Petrol(Gasoline)	LHD	Dual-Clutch(DCT)	3,496 (Cc)

We are delighted to present this 2025 Ferrari Purosangue, the marque's first-ever four-door, four-seat model and one of the rarest cars on the road. At its heart is a naturally aspirated 6.5-liter V12 producing a breathtaking 725 PS, paired with an 8-speed dual-clutch transmission and delivering the soul of a thoroughbred Ferrari with genuine everyday use.

Underpinning that performance is a static 49:51 weight distribution, carrying marginally more mass over the rear axle for traction out of corners, settling toward a balanced 50:50 stance under braking. Drive comes through Ferrari's advanced 4RM-S system, evolved from the GTC4Lusso, which keeps the Purosangue rear-wheel drive by default and powers the front wheels only on

demand, under a loss of traction or hard acceleration. That front drive operates solely in the lower gears and disconnects at speed, while independent four-wheel steering sharpens agility in corners.

Commissioned through Ferrari's exclusive Tailor Made program, this example wears matte Piano Black paint with a Rosso Corsa racing livery, its cabin trimmed in Rosso Ferrari leather with carbon-fibre detailing and a dimmable panoramic roof. A one-of-a-kind, brand-new collector's centrepiece, this left-hand-drive Purosangue is available now for worldwide export from Japan, with Elegant Import & Export handling the full shipping and documentation process.
