Built for long distance grand touring, the 2021 Ferrari Roma brings a front mid-engine layout and clean, understated styling to a class better known for drama. At its heart is Ferrari's F154 BH twin-turbocharged 3.85 litre V8, producing 620 PS and driving the rear wheels through an eight speed dual clutch transmission for immediate, seamless shifts.

Finished in Nero Daytona over a black cabin trimmed in Bordeaux leather, this left hand drive Ferrari Roma rides on staggered 20 inch alloy wheels, 245/35 ZR20 front and 285/35 ZR20 rear, with yellow brake calipers behind the spokes. The 2+2 cabin seats four, so a car with genuine supercar performance still carries occasional

rear passengers and luggage for a proper weekend away.

This is a Ferrari Approved car, inspected, serviced and prepared for resale by an authorised Ferrari dealer in Japan, so its history and condition have been assessed by the marque itself rather than by a trader. Equipment runs to a full digital instrument display, a carbon fibre trimmed steering wheel with column mounted shift paddles, satellite navigation, adaptive driving beam headlights, cruise control, an around view camera with corner sensors and power adjustable leather seats. Elegant Import & Export manages the purchase, documentation and worldwide shipping of this left hand drive Ferrari Roma from Japan on your behalf.
