01 — THE VEHICLE

2011 Hino Melpha

41 SEATER | MID-SIZE BUS · EIE STOCK · AVAILABLE

REG. YEAR	MILEAGE	FUEL	STEERING	TRANSMISSION	ENGINE CAPACITY
2011-10	780,256 (km)	Diesel	RHD	Automatic(AT)	6,400 (Cc)

Step into the 2011 Hino Melpha, a 41 seater mid-size coach that delivers genuine touring comfort in a body compact enough for narrow town roads and tight depot yards. The high floor, single door layout gives passengers a raised, panoramic view and frees up under-floor luggage space, making it a natural fit for school runs, staff shuttles, hotel transfers, and private charter work.

Power comes from Hino's respected J07E, a 6,400cc inline five cylinder turbo diesel with intercooler driving the rear wheels. This SDG-RR7JJCA generation introduced Hino's AIR LOOP clean diesel system with an improved DPR that needs no urea additive, so day to day

running stays simple where additive supply is limited. The J07E is among the most widely serviced Japanese medium duty engines in the world, and the automatic transmission keeps driver training short and city work relaxed.

Equipment includes air conditioning, a navigation system, a reversing camera for confident manoeuvring, alloy wheels and ABS. Recorded with no accident history and well maintained, this used Hino Melpha bus for sale is ready for worldwide export from Japan, with Elegant Import & Export handling shipping and documentation from start to finish.
