Introducing a 2018 Hino Selega 2PG-RU1ESDA luxury coach bus that redefines premium passenger transportation with exceptional comfort and modern amenities. Powered by the robust E13C diesel engine with an impressive 12,910cc capacity and equipped with a manual transmission, this 50-seater bus delivers reliable performance for long-distance travel and charter operations. Built on Hino's renowned heavy-duty platform, this Selega combines durability with sophisticated passenger comfort features. Designed to impress both passengers and operators, this coach features striking blue LED lighting effects that create an upscale ambiance throughout the cabin, elevating the travel experience. All passenger seats are equipped with USB charging ports, ensuring passengers stay connected during their journey. The vehicle is in good running condition with genuine mileage records and no accident history. Additional premium features include air suspension, climate control, automatic swing door, navigation system, leather seats, and a comprehensive safety package with ABS and airbags. This Selega is ideal for tour operators, charter services, and businesses requiring luxury group transportation.
