01 — THE VEHICLE

2018 Isuzu Elf

3TON / FREEZER TRUCK · EIE STOCK · SOLD OUT

REG. YEAR	MILEAGE	FUEL	STEERING	TRANSMISSION	ENGINE CAPACITY
2018-01	Undisclosed	Diesel	RHD	Manual(MT)	2,990 (Cc)

We are delighted to present this 2018 Isuzu Elf (TRG-NPR85AN) — a dependable 3-ton refrigerated freezer truck powered by the trusted 4JJ1 2,990cc diesel engine producing 150PS with manual transmission and right-hand drive. Built on the internationally acclaimed Isuzu Elf platform, this high deck freezer truck delivers the robust mechanical reliability and ease of maintenance that fleet operators across Asia, Africa, the Middle East and the Pacific have relied on for decades in demanding cold chain environments.

A standout feature of this unit is the side access door — a practical service door that enables quick and efficient

cargo access during multi-stop delivery routes without opening the full rear entry, helping maintain optimal temperature control inside the freezer body throughout the delivery cycle. This makes it particularly well-suited for food distribution, pharmaceutical logistics and any operation where temperature integrity and delivery efficiency are critical priorities. Equipped with air conditioning, airbag, ABS, back camera, power steering, power windows, double batteries and double wheels, this 2018 Elf is available for worldwide export directly from Japan through Elegant Import & Export.

FOB PRICE

Not Yet Priced

FOB Japan, ex-yard. The contract currency is Japanese Yen; any other currency shown is indicative only and moves with the exchange rate. Price and availability are subject to change and prior sale.
