

2018 ISUZU ELF

3TON / Freezer Truck

01 — THE VEHICLE

2018 Isuzu Elf

3TON / FREEZER TRUCK · EIE STOCK · SOLD OUT

REG. YEAR	MILEAGE	FUEL	STEERING	TRANSMISSION	ENGINE CAPACITY
2018-10	Undisclosed	Diesel	RHD	Automatic(AT)	2,990 (Cc)

Introducing this 2018 Isuzu Elf (TRG-NPR85AN) — a 3-ton refrigerated freezer truck equipped with automatic transmission, making it an excellent choice for fleet operators seeking to reduce driver fatigue and improve operational efficiency across urban and multi-stop delivery routes. Powered by the reliable 4JJ1 2,990cc diesel engine producing 150PS with right-hand drive, this high deck unit combines the field-proven durability of the Isuzu Elf platform with the added convenience of an automatic gearbox — a combination that is increasingly sought after in markets across Asia, Africa and the Middle East.

Adding further operational value, this unit is fitted with a side access door that allows drivers to retrieve cargo quickly without opening the full rear entry — helping maintain temperature integrity inside the freezer body throughout the delivery cycle, particularly during high-frequency multi-stop routes. Equipped with air conditioning, ABS, back camera, power steering, power windows, double batteries and double wheels, this 2018 automatic Elf freezer truck is available for worldwide export directly from Japan through Elegant Import & Export.

FOB PRICE

Not Yet Priced

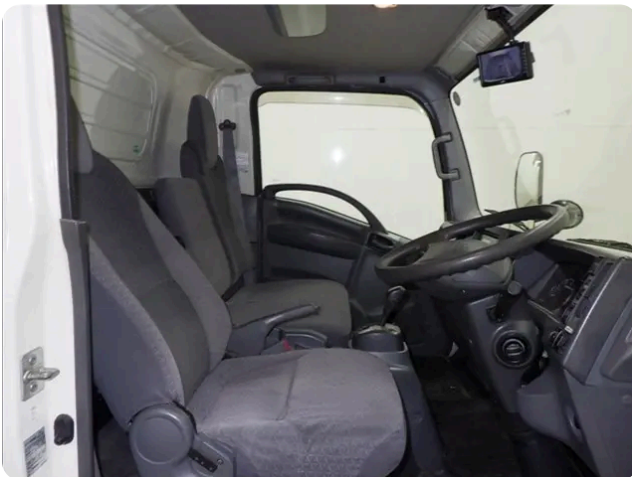

FOB Japan, ex-yard. The contract currency is Japanese Yen; any other currency shown is indicative only and moves with the exchange rate. Price and availability are subject to change and prior sale.
