Discover this 2018 Isuzu Forward (TKG-FRR90T2) — a robust 3-ton fully enclosed box body truck driven by the high-performance 4HK1 5,190cc diesel engine producing an impressive 240PS, paired with manual transmission and right-hand drive. The Isuzu Forward is a cornerstone of commercial freight operations across Japan and internationally, known for its exceptional load handling capability, long service life and low operating costs — qualities that make it a first-choice platform for importers seeking a dependable workhorse for general cargo, retail distribution and logistics operations.

Built on a high deck chassis and enclosed within a full box body, this Forward offers maximum cargo protection from weather and road conditions — ideal for goods requiring secure, clean and dry transport. Equipped with air conditioning, airbag, ABS, back camera, power steering, power windows, double batteries and double wheels, this well-specified 2018 Forward is available for worldwide export directly from Japan through Elegant Import & Export.
