Step into the 2005 Isuzu GALA, a flagship large touring coach built for long-distance comfort and high-capacity passenger transport. Produced through the J-Bus partnership and closely related to the Hino S'elega, this GALA seats 48 across a high-deck layout that gives every traveller a raised, panoramic view of the road, making it well suited to sightseeing tours, intercity charter, and express highway service.

At its heart sits the renowned Hino E13C, a 12.9 litre inline-six turbo-intercooled diesel producing 380 PS and driving the rear wheels through a manual gearbox. This

engine is trusted across Japan's coach fleets for its long-haul durability and strong pulling power on gradients, and its wide parts availability keeps servicing straightforward almost anywhere in the world.

Air suspension smooths the ride over long journeys, while an automatic swing door, reversing camera, and dark privacy glass with T-shape touring windows complete a cabin built for professional operators. Available now for worldwide export from Japan, with Elegant Import & Export handling the full shipping process from our yard to your nearest port.
