| 2005-09 | Undisclosed | Diesel | RHD | Manual(MT) | 12,910 (Cc) |

Step into the 2005 Isuzu Gala, a 48 seater large touring coach built for long distance comfort and dependable service. Finished as a High Decker, it combines an elevated passenger cabin with generous under floor luggage space, making it a natural fit for sightseeing tours, intercity charter work, and long route staff transport.

Power comes from the E13C, a 12,910cc turbocharged and intercooled inline six cylinder diesel producing 380 PS and driving the rear wheels through a manual gearbox. The E13C is one of the most widely used heavy duty coach engines in Japan, respected for its pulling power at highway speeds, long service life, and strong parts availability across export markets, which keeps upkeep straightforward wherever it is put to work.

Built through the J-Bus joint venture and sold alongside the Hino Selega, the second generation Gala offers a step entrance layout, an air conditioned passenger saloon, anti lock brakes, and twin batteries for confident starting on extended tours. A strong choice for operators searching for a used Isuzu Gala for sale or a Japanese large bus for export worldwide, with Elegant Import & Export managing the full shipping process from Japan.
