Presenting the 2025 Lamborghini Revuelto, the brand's first plug-in hybrid V12 super sports car and the flagship that opens a new era for the marque. Its naturally aspirated 6.5 litre V12 works with three electric motors to deliver 1,015 PS of combined system output, sent through a dual-clutch transmission and e-AWD for traction that matches the drama.

This left-hand drive Revuelto is finished in Oro Tiberino with a Classica trim interior, and is carefully optioned with 21 and 22 inch Altanero forged wheels in shiny black, gloss black carbon-ceramic brake calipers, a full Corsa

Tex steering wheel, Sport Seats with embroidered Lamborghini shields on the headrests, and the Style Package in body colour. Everyday usability comes from the Front Lifting System, Parking Pack, a Touch Passenger Display and smartphone connectivity.

Inspected, serviced and prepared for resale by an authorised Lamborghini dealer in Japan, this is a rare chance to secure a used Lamborghini Revuelto for export. Elegant Import & Export handles the purchase, paperwork and worldwide shipping from Japan.
