2025-02	324 (km)	Plug-in Hybrid	LHD	Dual-Clutch(DCT)	6,498 (Cc)

Presenting the 2025 Lamborghini Revuelto, the marque's V12 HPEV plug-in hybrid flagship, offered here in left-hand drive and finished in matte Nero Nemesis. At its heart sits a mid-mounted 6.5 litre V12 paired with three electric motors, delivering a combined 1,015 PS through an electrified all-wheel-drive system and a dual-clutch transmission for razor-sharp shifts.

This example has been specified to impress. The exterior wears the High Gloss Black style package and Triguero matte black forged wheels, 20 inch front and 21 inch rear, with titanium bolts, framing Rosso calipers on carbon-

ceramic brakes. Inside, the Nero and Rosso cabin features Lamborghini shields embroidered on the headrests, fully electric heated seats and a passenger touch display.

The front lifting system, Parking Pack and Surround Assistance Pack make it easy to live with, and the car has been inspected, serviced and prepared for resale by an authorised Lamborghini dealer in Japan. This used Lamborghini Revuelto is available now for worldwide export, with Elegant Import & Export managing the full shipping process.
