Presenting the 2025 Lamborghini Revuelto, the flagship V12 plug-in hybrid supercar, offered here in left-hand drive. At its heart sits a mid-mounted, naturally aspirated 6.5 litre V12 joined by three electric motors for a combined 1,015 PS, sent through a dual-clutch gearbox and e-AWD that puts every bit of that power down with confidence.

This two-seat coupe wears striking Bronzo Zenas matte paint over gloss black 20 and 21 inch wheels and carbon ceramic brakes. Inside, Bronzo Oreadi leather in a

contrast colour trim is lifted by Q-citura stitching, embroidered Lamborghini shields on the headrests, fully electric heated seats and a touch passenger display, while the front lifting system, Parking Pack and Surround Assistance Pack make it far easier to live with.

Inspected, serviced and prepared for resale by an authorised Lamborghini dealer in Japan, this used Lamborghini Revuelto is ready for export worldwide, with Elegant Import & Export handling the full shipping process from start to finish.
