We are delighted to present this 2025 Lamborghini Urus Performante, the sharpest and most driver-focused version of the super SUV that redefined the class. Certified and sourced through the Lamborghini authorised dealer network in Japan, this one-owner, accident-free example is offered in left-hand drive, making it an ideal fit for LHD markets worldwide.

At its heart sits a 3,996cc twin-turbocharged 4.0-litre V8 producing 666 PS, driving all four wheels through an eight-speed automatic and a full-time all-wheel-drive system. The Performante adds a dedicated Rally setting to the ANIMA drive selector alongside Strada, Sport and

Corsa, giving this five-seat SUV genuine loose-surface ability alongside effortless highway cruising.

The specification is exceptional, running to a full shiny exterior carbon fibre package including a visible carbon bonnet, a panoramic roof, 23-inch Pelope alloys on titanium wheel bolts, a bicolore Sportivo Alcantara cabin with Performante trim, electric front seats with ventilation and massage, Bang and Olufsen 3D audio, Night Vision, a head-up display, and highway and urban road driving assistants. Available now for worldwide export from Japan, with Elegant Import and Export managing the full shipping process.
