We are delighted to present this 2024 Lamborghini Urus Performante, the track-focused evolution of the super SUV that redefined its class. Its 4.0 litre twin-turbo petrol V8 delivers a ferocious 666 PS through an eight-speed automatic and full-time all-wheel drive, pairing supercar pace with five-seat, five-door usability. Finished in Nero Helene over a Bicolor Sportivo Alcantara interior with Performante trim and offered in brand new condition, this is a left-hand drive Lamborghini Urus for sale, a real advantage for buyers in LHD markets.

The specification is exceptional. A full exterior carbon fibre package covers the bonnet and its air vents, roof, bumpers, wheel arches, B-pillars and fender grids, joined by both interior carbon packages. Ad Personam exterior

and interior programmes, Q-citura special trim, an embroidered Lamborghini shield on the headrests and a dedication plate mark this out as a bespoke commission rather than a standard build, riding on 23 inch Pelope wheels with titanium bolts and yellow calipers.

Equipment runs just as deep, with a head-up display, electric front seats with ventilation and massage, Apple CarPlay and Android Auto, Remote Park Assist, Highway and Urban Road Assistant, and a premium air quality system. Available now for worldwide export from Japan, with Elegant Import and Export managing the full shipping process.
