The 2026 MINI Countryman E represents the perfect blend of iconic British design and cutting-edge electric technology. This brand-new electric hatchback features the sought-after FAVOURED TRIM specification, delivering an impressive 150kW of electric power through a smooth automatic transmission. With only 10 kilometers on the odometer, this right-hand drive vehicle is essentially factory-fresh and ready for its first owner. Equipped with premium features including leather seats, navigation

system, around-view camera, adaptive driving beam, and a comprehensive suite of safety technologies like lane keeping assist and intelligent parking assist, the Countryman E offers both luxury and practicality. The spacious 5-door design, combined with modern conveniences such as climate control, push-start ignition, and a multi-function steering wheel, makes this electric crossover ideal for eco-conscious drivers who refuse to compromise on style, comfort, or technology.
