Discover this 2020 Mazda CX-30 in X Proactive Touring Selection trim, a compact crossover SUV that blends Mazda's Kodo styling with genuinely advanced engineering. At its heart is the SKYACTIV-X 2.0 petrol engine, code HF-VPH, an inline four that uses Mazda's SPCCI spark controlled compression ignition to draw diesel-like efficiency and low-end torque from petrol, backed by a mild hybrid system for smoother restarts and relaxed town driving.

Drive is sent through a 6-speed automatic to all four wheels, so this CX-30 feels equally settled on motorway runs, mountain roads and wet or loose surfaces.

Registered under model code 3AA-DMFP, it offers five doors, seating for five and 18-inch alloy wheels on 215/55 R18 tyres. Equipment runs to a navigation system with TV, reversing camera, cruise control, lane keeping assist, power seats and push start with smart key.

Presented as a well maintained, accident-free example that looks and runs great, this used Mazda CX-30 for sale is an appealing choice for buyers after a premium Japanese SUV with real technical substance. Available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process.
