Discover this 2025 Mercedes-AMG G63 — one of the most iconic and capable high-performance luxury SUVs ever made, now available for export from Japan. Powered by a hand-built 4.0-litre twin-turbocharged V8 engine producing prodigious power through a 9-speed AMG Speedshift TCT transmission, the G63 combines a blistering 0–60 mph time of around 4.3 seconds with the legendary off-road capability that has defined the G-Class for decades. This left-hand drive example is presented in the striking MANUFAKTUR Night Black Magno — a sophisticated matte black finish — with a sumptuous MANUFAKTUR Platinum White Nappa leather interior, making for a bold and thoroughly elegant colour combination.

The MANUFAKTUR specification extends throughout, with a MANUFAKTUR Logo Package, MANUFAKTUR doorknobs

with embossed logo, and grab handles finished in leather — each detail reflecting Mercedes-Benz’s highest level of individual personalisation. Practical and safety features are equally impressive, including a 360-degree surround-view camera system, tyre pressure monitoring, exterior protective strips with black trim inserts, and a full suite of MBUX infotainment with extended functions and MBUX Entertainment. Rear passengers are also catered for with dual USB ports and seamless smartphone integration.

This single-owner example from Japan presents in outstanding near-new condition with genuine mileage, no accidents, a non-smoker interior, and is well maintained — a rare opportunity to acquire a MANUFAKTUR-specified G63 in an exceptionally desirable specification.
