Discover this 2025 Mercedes-AMG GLB 35 4MATIC, a compact SUV that pairs serious AMG performance with genuine seven seat practicality. The M260 1,991 cc inline four cylinder petrol engine uses twin scroll turbocharging to produce 306 PS through a quick shifting dual clutch automatic and permanent 4MATIC all wheel drive. Mild hybrid assistance sharpens low speed response and smooths every restart, so this Japanese used SUV stays relaxed in town yet pulls hard the moment the road opens up.

Three rows of seating make it one of the very few performance SUVs that genuinely carries seven, with the rearmost pair folding flat when luggage space matters

more. The cabin is finished in striking red and black leather with a digital driver display and multi function steering, while the black bodywork sits on 20 inch AMG alloy wheels wearing 255/40 R20 tyres front and rear.

Equipment includes satellite navigation, an around view camera with park assist, adaptive driving beam headlamps, lane keeping assist, cruise control, power seats, a sunroof, a power tailgate and keyless entry with push button start. Presented from a Mercedes-Benz certified showroom in Japan, this right hand drive Mercedes-AMG GLB 35 for sale is ready for RHD markets worldwide, with Elegant Import & Export managing the full export and shipping process.
