Presenting the 2026 Mercedes-AMG GLC 43 4MATIC Coupe, a right-hand drive performance SUV that pairs a sweeping coupe roofline with genuine AMG pace. At its heart is the M139 2.0 litre turbocharged four-cylinder, with an electric turbocharger and mild-hybrid assistance for a commanding 421 PS.

Full-time all-wheel drive puts that power down with confidence in every condition, and the cabin is finished with leather power seats, navigation, an around view camera with intelligent park assist, adaptive driving

beam headlights and lane keeping assist. Accident-free, non-smoker and well maintained, this used Mercedes-AMG GLC Coupe presents in near-new condition.

For buyers seeking an RHD Mercedes-AMG for export, it delivers five-door, five-seat practicality wrapped in the most striking body style of the GLC line-up. Available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process from start to finish.
