Presenting the 2026 Mercedes-Benz C-Class C 220 d in Luxury trim, a four door sedan carrying the quiet authority the model has built its reputation on. Right hand drive and sourced directly from the Japanese market, this is a used Mercedes-Benz C 220 d for sale and ready for export to RHD countries.

Power comes from the 2.0 litre OM654 inline four cylinder turbo diesel, rated at 200 PS and paired with an ISG mild hybrid system, a nine speed automatic transmission and rear wheel drive. The OM654 family is known for strong low end pull and relaxed motorway economy, while the mild hybrid assistance smooths stop and start

running and adds response at low speed, making this an easy companion on long regional drives.

Inside, the Luxury specification is generously equipped, with leather upholstery, power adjustable seats, a panoramic sliding roof, navigation, a digital instrument display, illuminated door sill plates and auto dimming mirrors. Driver assistance covers lane keeping assist, cruise control, around view and reversing cameras, corner sensors and intelligent park assist. Available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process.
