We are delighted to present this brand new, unregistered Mercedes-Benz S 580 4MATIC Long, finished in Obsidian Black metallic and offered in right-hand drive. At its heart is a 4.0 litre twin-turbo V8 with mild-hybrid assistance, delivering 537 PS through a 9-speed automatic and 4MATIC all-wheel drive. E-Active Body Control, an uprated front brake system and 21-inch AMG alloy wheels complete a flagship that is as composed as it is powerful.

This S-Class is specified for owners who travel in the back. Both rear passengers enjoy Executive rear seats with calf massage and neck and shoulder warmers, while a chauffeur position switch frees extra legroom behind the front passenger. The MBUX rear entertainment system with wireless headphones, electric rear blinds and a Burmester high-end 4D surround sound system turn every journey into a private lounge. Up front, an AR head-up display and 3D cockpit display keep the driver informed, and the AMG Line package adds a sharper stance.

An RHD Mercedes S 580 of this calibre suits executive transport, VIP chauffeur work and discerning private buyers alike. Available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process.
