Nissan Elgrand Autech Introduction The Nissan Elgrand Autech is a premium variant of Nissan's luxury MPV (Multi-Purpose Vehicle). Autech is Nissan's specialty division that focuses on performance and luxury customization, similar to what AMG is to Mercedes-Benz. The Elgrand Autech features:

- Enhanced exterior styling with unique front/rear bumpers, side skirts, and exclusive grille designs
- Upgraded interior with premium materials and special Autech badging
- Sport-tuned suspension for improved handling
- Higher-end entertainment and comfort features

The Elgrand itself is a full-sized luxury MPV popular in Asian markets, particularly Japan, and is known for its spacious cabin, comfortable ride, and executive-level amenities. The Autech variant elevates these qualities with sportier performance and more distinctive styling. Many Elgrand Autech models have become popular imports in countries like Australia, the UK, and New Zealand, where they're valued for their combination of luxury, space, and unique appearance.
