Introducing the 2022 Rolls-Royce Black Badge Ghost — the most powerful and dynamically focused Ghost ever produced, reimagined for those who prefer their luxury darker and more intense. Built around the second-generation Ghost's acclaimed architecture, the Black Badge variant pushes the 6.75-litre V12 twin-turbocharged engine to its most potent state of tune, delivering an exhilarating yet supremely composed driving experience that sets it apart from anything else on the road. Every Black Badge detail — from the darkened exterior accents and blacked-out Spirit of Ecstasy to the specially calibrated air suspension —

reflects a character that is bolder, more assertive, and unmistakably uncompromising.

This left-hand drive example sourced from Japan is presented in excellent condition with genuine mileage, a single owner, no accident history, and a non-smoker interior. Well specified with air suspension, illuminated door sill plates, around-view camera, adaptive driving beam, leather seats, navigation, and a full suite of premium comfort features, this is an outstanding opportunity to acquire one of the finest modern Rolls-Royces available for export.
