We are delighted to present this 2026 Rolls-Royce Ghost Black Badge Series II, the darker and more assertive expression of the Ghost, the Rolls-Royce saloon built for owners who enjoy taking the wheel themselves. Presented in brand-new condition, this right-hand drive example is finished in English White with a Midnight Sapphire bonnet, roof and boot lid, set off by the darkened Pantheon grille that marks out every Black Badge car.

At its heart is the twin-turbocharged 6.75-litre V12, tuned for Black Badge duty to deliver 600 PS through an eight-speed automatic and full-time all-wheel drive. The result is hushed, effortless progress that turns muscular

the moment you ask for it, carried on a space-frame chassis and black 22-inch wheels.

Inside, Navy Blue and Arctic White leather wraps five seats, including a full rear bench, while the Starlight Headliner brings a fibre-optic night sky overhead. Power-operated doors, navigation, an around view camera, intelligent park assist, lane keeping assist and adaptive driving beam headlights complete the picture, with illuminated door sill plates as a final touch of theatre. Available now for worldwide export, with Elegant Import & Export handling every step of shipping from Japan.
