Presenting the 2025 Rolls-Royce Spectre, the marque's first fully electric super coupé, offered here in right-hand drive with a richly bespoke specification. Its dual-motor all-wheel-drive system delivers 585 PS in near silence, pairing instant, effortless pace with the serene ride Rolls-Royce is known for, further smoothed by air suspension.

The exterior wears an Andalusian White and Infinity Black upper two-tone finish, set off by a Mandarin shoulder coachline, an illuminated grille and Spirit of Ecstasy, the Polished Stainless Steel Package and 23-inch part-polished wheels.

Inside, Grace White and Mandarin leather is detailed with Turchese piping, stitching and RR monograms on every headrest, beneath a Shooting Star headliner and Starlight Doors. Ventilated massage seats, Rolls-Royce Bespoke Audio, an illuminated fascia, a bespoke clock and lambswool footmats complete a cabin built for four.

This one-owner, right-hand drive electric Rolls-Royce is available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process from our yard to your port.
