Introducing the 2026 Toyota Crown Z grade, a rear-wheel-drive luxury sedan that carries Toyota's flagship name back into formal territory. Finished in grey and powered by the 2.5 litre A25A-FXS inline four petrol hybrid, matched to Toyota's multi-stage hybrid system for a combined 245 PS, this used Toyota Crown for sale pairs quiet, effortless pace with real hybrid economy.

The multi-stage layout is what sets this drivetrain apart. A four-speed gearset sits behind the electric drive, giving the automatic transmission real stepped ratios and a direct, linear response rather than the drone of a conventional hybrid. Rear-wheel drive and a generous cabin do the rest, giving the composed ride and rear-

seat comfort that suit executive transport, chauffeur and hotel fleets, and government service.

Z is the top specification and this car is fully loaded, with a panoramic glass roof, leather seating, power front seats, genuine navigation with digital TV, a digital rear-view mirror, and lane keeping assist. A panoramic view monitor and corner sensors make it easy to place, while Modellista aero parts, black exterior trim and nineteen inch alloys on 235/55 R19 tyres sharpen the styling. Available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process.
