Built for buyers who want a pickup that works as hard as it looks, the 2025 Toyota Hilux GR Sport is the most driver-focused version of the world's most trusted one-tonne workhorse. Sharpened by Toyota's Gazoo Racing arm for both trail and tarmac, it stands out with a bold front bumper, GR Sport badging, 18-inch wheels on highway-terrain tyres, and red brake calipers, while red contrast stitching and leather seating bring real energy to the cabin.

At its core is Toyota's acclaimed 2.4L 2GD-FTV turbo diesel, an intercooled four-cylinder producing 150 PS. More than the figures, it is the reputation that sells it: the 2GD-FTV is relied on across farms, fleets, and remote regions worldwide for its durability, strong fuel economy, and exceptional parts availability, so you can service this used Toyota Hilux almost anywhere. A smooth automatic and selectable part-time 4WD handle highway, gravel, mud, and steep ground with ease, while Toyota Safety Sense adds reassurance on long hauls.

With seating for five and a 500 kg payload, it suits job sites, overland trips, and daily duty alike. This capable Japanese diesel pickup is available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process.
