Built for tough terrain and hard work, the 2021 Toyota Hilux Z Grade is the double cab pickup that has earned a worldwide reputation for going anywhere and lasting for years. At its heart is Toyota's 2.4L 2GD-FTV inline-4 turbodiesel, producing 150 PS through part-time 4WD and a smooth automatic gearbox. Prized for its durability, low running costs, and excellent parts availability, it answers the importer's biggest question: can I service it where I live?

With four doors and room for the whole crew, this used Toyota Hilux for sale handles construction sites, farms, and regional logistics with ease. The selectable four-wheel drive tackles mud, sand, and rough roads, while the proven 2GD-FTV diesel delivers strong low-end torque for hauling and towing. Available now for worldwide export from Japan, with Elegant Import & Export managing the full shipping process.
