Built for hard work and long distances, the 2019 Toyota Hilux Z Black Rally Edition pairs real off-road ability with everyday comfort under one of the most respected nameplates in the pickup segment. Under the bonnet sits Toyota's 2GD-FTV, a 2.4 litre inline four intercooled turbo diesel producing 150 PS, matched to an automatic transmission and part time 4WD for confident traction on gravel, mud, and steep site tracks. The 2GD is known worldwide for its durability and its exceptional parts availability, which keeps servicing straightforward almost anywhere it is put to work.

The Black Rally Edition is a special edition marking 50 years of the Hilux, based on the top specification Z grade. It adds a black painted front grille and bumper, blacked out door mirrors and handles, wider over fenders, and 18 inch black alloy wheels on white letter 265/60 R18 tyres, with black metallic accents and a dedicated Optitron meter inside.

A four door double cab seating five, with a 500 kg payload deck behind it, this used Toyota Hilux for sale suits farming, construction, mining support, and weekend touring alike. A reversing camera, navigation system, Lane Keeping Assist, and smart key with push start complete the package. Ready for worldwide export from Japan, with Elegant Import & Export managing the full shipping process.
