Built for hard work and weekend adventure, this 2019 Toyota Hilux comes in the sought-after Z Black Rally Edition trim, a factory special edition that gives Toyota's toughest pickup a darker, more purposeful look. Carrying the QDF-GUN125 model code, it rides on alloy wheels in 265/60 R18 rubber and offers the five seat double cab practicality that made the Hilux a worldwide favourite.

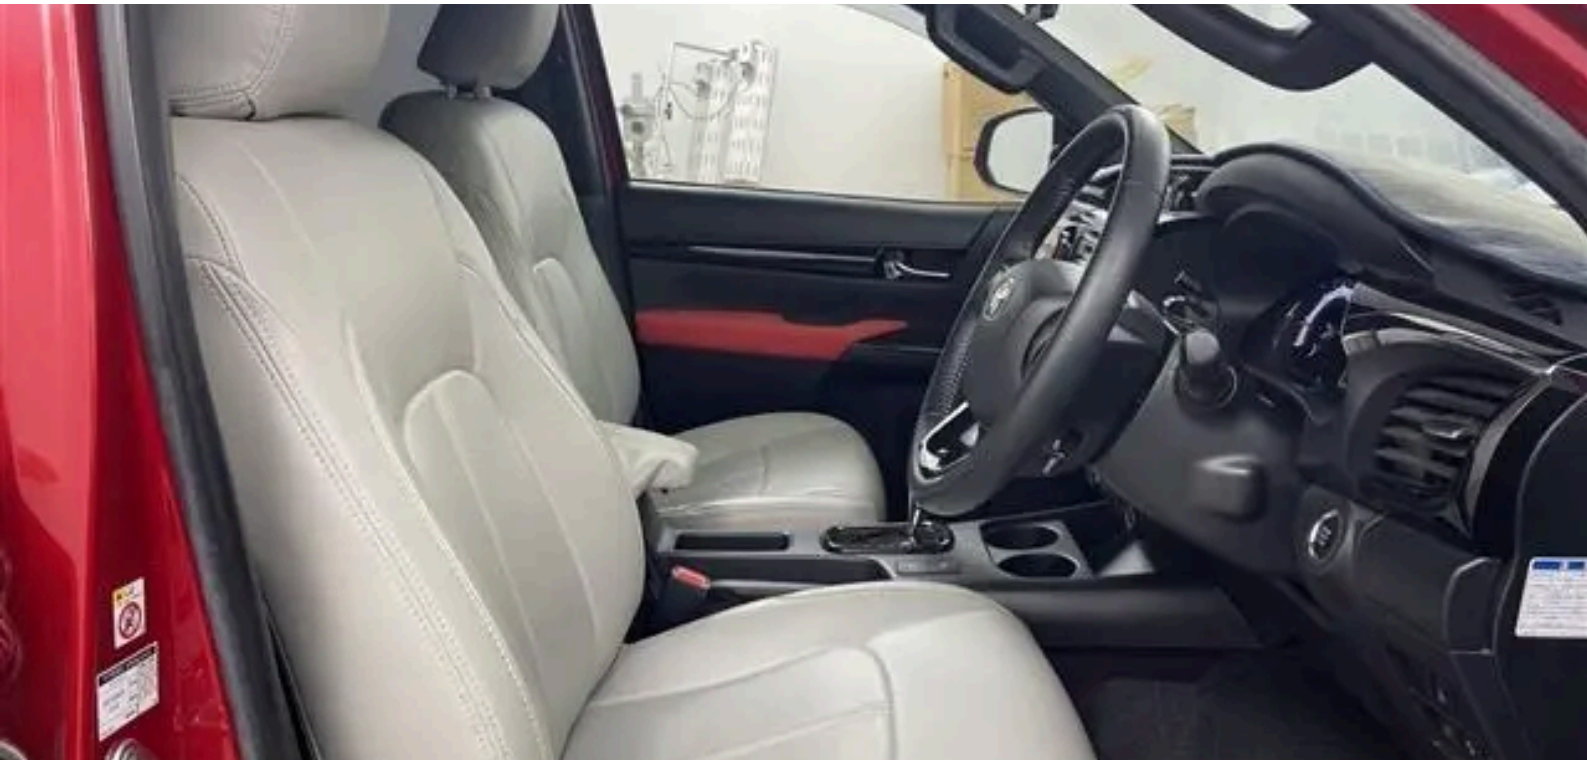

Under the bonnet sits Toyota's 2.4 litre 2GD-FTV, an intercooled turbo diesel inline four rated at 150 PS and matched to a smooth automatic transmission. It is an engine with a formidable reputation for durability and, just as importantly for buyers overseas, one backed by Toyota's global parts and service network. Part-time four wheel drive lets you run in efficient rear drive on the highway then switch to 4WD when the surface turns to gravel, mud or sand, and the 500 kg payload keeps the load bed useful for tools, timber and site equipment.

Cruise control, satellite navigation, a reversing camera, corner sensors, push start with smart key and adaptive driving beam headlamps ease the long days. If you are searching for a used Toyota Hilux for sale, this Japanese diesel pickup is ready for export worldwide, with Elegant Import & Export handling shipping and documentation.
