We are delighted to present this 2019 Toyota Voxy X Welljoin, a seven seater minivan that pairs everyday family practicality with genuine ease of access. Welljoin is Toyota's Welcab specification, built around easier boarding, with grab rails at the sliding door and beside the second row, a retractable universal step on the kerb side, and a wider two place second row that leaves a clear walk through to the third row.

Power comes from Toyota's 2.0 litre 3ZR-FAE four cylinder petrol engine, producing 152 PS through a Super CVT-i automatic with a seven step sequential shift mode. Full time 4WD adds sure footed traction on wet roads, gravel and winter surfaces, making this a dependable year

round people mover rather than a fair weather one. The 3ZR family is one of Toyota's most widely used petrol engines, so servicing and parts supply are straightforward almost anywhere in the world.

Equipment includes push start with smart key, a navigation system with TV, a reversing camera, corner sensors, lane keeping assist and a multi function steering wheel. Ideal for care transport, hotel and shuttle work, or a family carrying older passengers, this used Toyota Voxy is ready for export worldwide, with Elegant Import and Export handling documentation and shipping from Japan.
