2026-01	Undisclosed	Electric	RHD	Automatic(AT)	73 (Kw)

Discover this 2026 Toyota bZ4X in top-of-the-range Z grade, a fully electric SUV that carries Toyota's reputation for reliability into the battery era. A single front-mounted motor delivers a peak 204 PS, giving instant, near-silent acceleration and an effortlessly smooth drive at every speed. Front-wheel drive keeps the layout light and efficient, while running costs sit well below those of a comparable petrol SUV.

The five-door, five-seat cabin pairs real comfort with modern driver technology. Power seats, a navigation system with TV, a multi-function steering wheel, cruise control and push-button start are all fitted, while an

around view camera, reversing camera and corner sensors make tight city parking effortless. Adaptive driving beam headlights sharpen night-time visibility, and 18 inch alloy wheels sit on 235/60 R18 tyres.

Barely run in and carrying no accident history, this used Toyota bZ4X presents in as-new condition throughout and is an ideal choice for buyers after a modern Japanese electric SUV for export worldwide. Available now from Elegant Import & Export, with our team handling the full shipping and documentation from Japan.
